This is to minimize distraction during the show and will allow you to be present to enjoy the show live. The images will be available for purchase, within two weeks of the show, in an online gallery through our photographer, Urban Barn Photography.

Other Important Information: At Call Time, students should arrive ready to perform with their costume on, hair and makeup done, and in the correct dance shoes. Their hair should be in a low center bun with a middle part and their hair piece attached. Dancers with short hair should have it cleanly secured and out of their face. Students will be checked in at the main doors of the Middle School Building and remain in the care of WFA until the end of the dress rehearsal or performance. Students should be picked up at the same location at the end of the dress rehearsal and performance. A parent or guardian must check out the student with their teacher or room mom. During Dress Rehearsal, students may bring a small bag with a few travel sized toys, a light mess free snack, and a water bottle (water only). Students are not allowed to wear nail polish on either their fingers or toenails. Students are allowed to wear small colorless stud earrings, but absolutely no other jewelry is allowed. If students arrive with other jewelry items, they will be removed and put away for safekeeping.

Dress Rehearsal Attendance Policy: Friendly reminder that our Dress Rehearsal is mandatory and the dancers remain in the rehearsal under the supervision of our staff and volunteers, in its entirety. **If a dancer is not present at the Dress Rehearsal, they may not perform.**

Information for Students with a Costume Change: To protect the modesty of our dancers, we ask that they wear a skin colored leotard. This should be the first thing they put on and is under both the tights and costume. Please make sure the tights are not under this skin colored leotard. If the student is in more than one class, bring their second and subsequent costumes to the costume table. This table will be located in the lobby of the Middle School Building where students will be dropped off. The subsequent costumes, shoes, tights, and hairpieces must be labeled and in a garment bag. Make sure to label all of their garment bags with the child's name and class, clearly printed. If you do not already have a garment bag, we will provide them at check-in.

Hair Styling and Directions:

Hair Style: **Low, center bun with a middle part.** Hairpiece goes on the top right corner of the bun.

Needed Supplies: Hairbrush, comb, gel, hairspray, hair elastic*, bobby pins*, hairpins*, & hair net* (*all of these items should match the dancer's hair color). No hair pieces or bun donuts.

Directions:

1. Brush and wet the dancers hair.
2. Make a middle part and apply gel/hair spray
3. Pull all hair into a ponytail and secure with a hair elastic. Elastic should be above the hairline, not on the student's skin.
4. Apply hairspray and comb away any stray hairs
5. Starting at one side of the ponytail twist all of the hair into a tight column. Keep twisting until the hair coils and draws close to the base of the ponytail, keep twisting the hair around and secure as you go using hairpins and/or bobby pins. Do this until the entire ponytail is secured in a bun.
6. Wrap bun with a bun/hair net
7. Finish off with hair stay to secure any flyaway hairs
8. If the costume has a hair piece, secure it to the top right corner of the bun. Or any other location the teacher has instructed.

Stage Makeup Styling and Directions: If you chose to apply makeup to your student please follow the directions below. *excluding male dancers* **Needed Supplies:** Foundation, Powder, Eyeshadow, Mascara, Eyeliner, Blush, Lipstick, & Makeup Brushes

Directions:

1. Apply foundation in a color that matches the dancer's skin tone. Use a sponge or foundation brush to apply the foundation, making sure to blend evenly into the hairline, temples, and slightly below the jawline/neck.
2. Add shadow to the eyes by using a cream color along the curve of the socket, light brown to cover the lid of the eye, and a dark brown in the crease of the eyelid. Using a pencil or liquid eyeliner, line the eyes with a thin, firm line above the upper lashes, and with a thinner line below the lower ones. For younger dancers, use a brown color to line the eyes, this will have a more natural look. Finish the eye's off with mascara on both top and bottom lashes. If the dancer has light hair use a light brown eyeshadow to darken and shape the eyebrows.
3. Apply blush to the apple of the cheeks, blending up towards the top of the dancer's ears.
4. Line the mouth with a firm line that enhances the natural shape of the dancer's mouth. Use a maroon colored lipstick.
5. Powder the entire face. This will help 'set' the makeup and eliminate the need to reapply before the dancer performs.
6. Hair and Makeup Removal: Use a cream or oil-based makeup remover on the eyes and a good cleaner on the face. (Pure coconut oil works wonders!) Add baking soda to your regular shampoo to help remove any gel/hair spray residue left in the dancer's hair.
