**Live Stream & Digital Download:** The Showcase will be broadcast live through woodlandlive.com. Feel free to share this link with any family members or friends that cannot make the performance in person. **\*NEW\*** We are offering ONE \$10 Digital Download order for ALL '23-'24 WFA Shows. *Proceeds go towards WFA's fundraising goal.* Use this [link](#) to purchase the Digital Download.

**Photography:** We will have a professional photographer at both Dress Rehearsals, to capture both casts, in action. This is to minimize distraction during the show and will allow you to be present to enjoy the show live. The images will be available for purchase, within two weeks of the show, in an online gallery through our photographer, Urban Barn Photography.

**Show Information:** Students should arrive with their base costume on and cast shirt over their base costume, hair done and in the correct dance shoes. Students should bring a water bottle, a snack that does not drip and a small bag of toys that they can play with to keep them occupied backstage.

**Friday 1:00pm Show Protocols:** *Due to the unique nature of this show being during school hours, the protocols are different from the rest of the shows.* Students will arrive and check in at the *Treehouse* at 11:30am for warm up and costuming (Select Troupe Call Time at 11:00am). During the show, the students will sit in a special section of the audience that will be roped off for performers only. From there, they will enter the side door to go backstage when it is their time to perform. Parent volunteers will be assigned to help with safety and timeliness in this process.

**Friday 6:30pm, Saturday 2:00pm, and Saturday 6:30pm Show Protocols:** Students will arrive and check in at the *Middle School Building* at Call Time for warm up and costuming. During the show, the students will travel from the middle school building to the backstage door when it is time to perform. Parent volunteers will be assigned to help with safety and timeliness in this process.

**Costumes:** All theatre classes will receive their costumes in a garment bag the week of April 22nd and students will take their costumes home. Students are responsible for bringing their costumes to Dress Rehearsals and Shows. Please take special care of the costume and ensure that it stays clean and is hung up in the garment bag. Families must provide their student's base costumes - see below for more details.

**Information for Costume Changes:** To protect the modesty of our students, we ask that they wear a base costume underneath their costumes. All students should arrive with their base costume on and cast t-shirt over. Upon arrival, you will be directed to your child's Dressing Room. Dressing rooms are organized by class. At drop-off please hand your child's garment bag to their room mom who will place the garment bag on a costume rack. After their costume change, each student will be responsible to put their costumes back in their garment bag and hang it on the rack for safe keeping. At pick-up, each student will take their costumes home for cleaning and reorganizing for the next day.

**Female Base Costume:** *\*All students are responsible for providing their own base costumes.\**

- Black leotard or fitted spaghetti strap tank top
- Long black biker/fitted shorts: women's sizes need to be 8-10" inseam and girl sizes can be 6.5" (preferably with pockets for a mic pack)
- Black jazz shoes (no laces)
- *If students arrive with any jewelry, they will be removed and put away for safekeeping.*

Recommendations for female base costumes:

### **Costume, Makeup, & Wig Crew AND Props, Production, & Sets Crew**

We will require all backstage, sound booth, and lighting booth production crew to wear solid black. If you are helping elsewhere, please wear your Beauty and the Beast cast shirt as a way to identify that you are a part of the Crew! You will get your assigned positions/roles as we get closer to the show.

## **Hair Styling and Directions:**

Hair Style: Low, center bun with a middle part. Hairpiece goes on the top right corner of the bun.

*Needed Supplies:* Hairbrush, comb, gel, hairspray, hair elastic\*, bobby pins\*, hairpins\*, & hair net\* (\*all of these items should match the performers hair color). No hair pieces or bun donuts.

*Directions:*

1. Brush and wet the dancers hair.
2. Make a middle part and apply gel/hair spray
3. Pull all hair into a ponytail and secure with a hair elastic. Elastic should be above the hairline, not on the student's skin.
4. Apply hairspray and comb away any stray hairs
5. Starting at one side of the ponytail twist all of the hair into a tight column. Keep twisting until the hair coils and draws close to the base of the ponytail, keep twisting the hair around and secure as you go using hairpins and/or bobby pins. Do this until the entire ponytail is secured in a bun.
6. Wrap bun with a bun/hair net
7. Finish off with hair stay to secure any flyaway hairs
8. If the costume has a hair piece, secure it to the top right corner of the bun. Or any other location the teacher has instructed.

Please note: Your child will be dancing and moving around a lot! We do not have hair and makeup crews assigned to help with make up or re-do their hair mid-show.

## **Stage Makeup Styling and Directions:**

All Cast Base Makeup for males and females (male makeup is optional) -Bring Your Own-

1. Black or brown mascara on both top and bottom lashes
2. Foundation of your choosing-find something that matches your skin tone
3. If you have light eyebrows, fill them in to help give them definition
4. Thin black eyeliner above your upper eyelashes and on your lower lid to help make your eyes pop on stage
5. Light pink rouge for your cheeks (follow the cheek bone)
6. Mauve lipstick to add natural color to your lips

\*This order is recommended in case you need to clean up around your eyes after applying mascara

\*Please come with only this done, all extra will be added if needed for your costume, but not all performers will get extra makeup

**Tech Rehearsals:** During tech rehearsals, our tech team will be running a “cue-to-cue” or “start-and-stop” rehearsal. Song cues, light cues, and speaking lines will come together as we set up our groups on stage and spike tape set pieces and key locations for important moments. This brings so much clarity for the students! All the groups are able to feel the breadth of the production during this rehearsal *before* we add costumes and props. Friendly reminder that our Tech Rehearsals are mandatory and the students remain in the rehearsal under the supervision of our staff and volunteers, in its entirety. **If a student is not present at the Tech Rehearsal, they may not perform.**

**Dress Rehearsals:** Dress rehearsals are when we layer costumes, makeup, and all props on top of the work we accomplished in tech rehearsals and we run the show from start to finish without stopping. This gives the student a real-time perspective of how quickly the show happens, and what they need to do to play their part! Friendly reminder that our Dress Rehearsals are mandatory and the students remain in the rehearsal under the supervision of our staff and volunteers, in its entirety. **If a student is not present at the Dress Rehearsal, they may not perform.**

**Show Order:** Below you'll find our show order for Beauty and the Beast. We have each scene color-coded with the classes participating in the scene to make it easy to see the grand scope of when they're going on stage to perform. You will find this lineup below will be a great tool to review the show with your child with the music and rehearsal videos your teachers might pass along.
